Agenda item discussion points

1. The Chair updated the Board on advice provided to the Under Secretary on the Performance Management Framework and the review of the PSKH Contract.

2. Minutes of the meeting held on 29 May 2015 were confirmed, moved by Catherine Isaac, seconded by John Taylor. The need to ensure due dates for actions are realistic and are met was noted.

3. Work to date on the AB’s website was noted. It was agreed that sections on the funding model and guidance on starting a Partnership Kura need to be completed before the website can be launched. The section on reporting on the schools’ performance requires substantial further work and will not be able to be completed before the site is launched.

4. Martin Jenkins’ evaluation of Partnership Kura initiative was discussed. The Board reiterated its view that a more evidence-based the methodology should be used in this evaluation. A subgroup of the Board (Catherine Isaac, John Shewan and Terry Bates) will join the panel advising Martin Jenkins on the evaluation.

5. Operational updates were presented.

6. Matters discussed with the Under Secretary included revisions to the Performance Management Framework, revisions to the contract, and the Board’s monitoring role.

7. A draft Procurement Plan for Round Three was discussed. Margaret Southwick left the meeting room after declaring a potential conflict of interest as she may become involved with an application. It was agreed that prior to opening the application round, the AB website must be launched and the contract document would need to be finalised. s 9(2)(f)(iv) OIA

9. A prototype of a performance monitoring report for PSKH was noted. The Board supported the concept of the report, which will have five areas of focus with a number of indicators within each area.

10. Lesley Hoskin provided a short brief on PaCT.
